“

“It is stunning how different we are individually and as a couple after just a few months of working with you, Dr. Jackie.” When I watch us dealing with the same stuff today that we have been dealing with for fourteen years, it is stunning how different we are individually and as a couple after just a few months of working with you, Dr. Jackie We are kind, compassionate and very gentle with each other’s hearts, and having more fun than ever. Thank you is not enough.

A photograph of a man and a woman walking hand-in-hand on a sandy beach at sunset. The man is wearing a white short-sleeved shirt and shorts, and the woman is wearing a white long-sleeved shirt, light-colored pants, and a wide-brimmed straw hat. They are both smiling and looking towards the ocean. The sky is a warm orange and yellow, and the waves are gently breaking on the shore.

Here's what you can expect from me:

Marriage Coaching Works and Here's Why.

I'm here to help you create **real change**. I'm not just here to help you talk about your feelings or complain about each other. I'll guide you to break old patterns, build new ways of relating, and master self-regulating and co-regulating strategies—especially when things get heated or one of you shuts down.

You'll co-create a sustained and emotionally anchored connection.

Support Beyond Our Zoom Calls.

Life doesn't happen on a schedule—and neither does support from me. When the moment feels too big to manage alone, **reach out and we'll move through it together**. I'll help you process what's going on and we'll figure out your next step forward. You'll get **real-time emotional triage** in a text message, voice chat, or a short phone call so the tension doesn't carry into your day or overnight.

Connection You Can Count On.

Every couple is unique—and so are the ways you connect and reconnect. Together, we'll create **personalized connection practices** that feel grounding, comforting and nurturing—especially when one of you feels wounded and disconnected. **These will become your trusted practices** for finding your way back to each other—reliable even in the hard moments.

YOU'RE NOT JUST PAYING FOR MY TIME.

✨ You get a coach who's in it with you – not just for the hour.

You're investing in yourself, your partner and your relationship.

You're benefiting from my **specialized education** and training, **almost 4 decades, working with 1000 couples in 8 countries**, and the real-time support I provide when you need it the most.

Each month, I open a limited number of (free) private conversations.

Think of it as a strategic, heart-centered check-in. You share what's going well, what feels hard, and what you wish were different.

These conversations are by application, and I personally review each one. If it feels like the right moment for you and your partner, I would love to meet you.

If you would like one...

I don't work with every couple. I work with the ones who are still all in – and want a relationship that feels rich, not just functional.

My private programs are for couples who don't need fixing – **just the right way forward. If you're ready, so am I. Let's talk.**
